

**JO WOOD ORGANICS
BODY OILS**

These aromatherapy oils should come with a warning – once you try them, you're hooked. With beautifully designed bottles and quality organic ingredients, each gives a mind and body feelgood factor. £55 (0845 607 6614).

**LIZ EARLE NATURALLY
ACTIVE SKINCARE**

By taking out the unnecessary (cheap petrochemicals) and loading up on the good (organic plant extracts), Earle was at the vanguard of 'cleaned-up' natural, covetable, affordable skincare. From £7 (01983 813913).

**NUDE ADVANCED
SMOOTHING COMPLEX**

With every beauty company keen to prove its eco credentials, Nude does so with real thought, passion and effectiveness and, as the first natural anti-ager that really works, it shows the rest what really can be done. £48 (www.nudeskincare.com).

Natural/ organic

**AROMATHERAPY
ASSOCIATES BATH AND
BODY RANGE**

Packed with high-grade essential oils, these shower gels, bath oils and body lotions are just a joy a use. Favourite product: Deep Relax Bath and Shower Oil – think natural valium in a bottle. From £16.50 (020 8569 7030).

**HUILES & BAUMES
GENTLE DRY OIL FOR
THE BODY**

Organic and eco aware, this range of skin treats is as effective as it is politically correct, but the star turn is this make-up-removing, skin-softening cleansing oil. £16, from Space NK (020 8740 2085).
